**SUPPLEMENTAL DECLARATION**

Dieter Gebauer, Bernhard Steiger, Rosa Gorzel, Dieter Auerbach, André Vecsei and Ralf Straube, whose application for Letters Patent for a DEVICE FOR THE CONTACTLESS THREE-DIMENSIONAL MEASUREMENT OF BODIES AND METHOD FOR DETERMINING A CO-ORDINATE SYSTEM FOR MEASURING POINT CO-ORDINATES, Serial No. 10/009,862 was filed in the United States Patent and Trademark Office on January 22, 2002 declare that the subject matter of the Preliminary Amendment dated December 3, 2001, and Amendment dated May 5, 2004 was part of their invention, was invented before they filed their original application, above identified, for such invention; that they do not believe that the same was ever known or used in the United States before their invention thereof, or patented or described in any printed publication in any country before their invention thereof, or more than one year before their application, or in public use or on sale in the United States more than one year before the date of their application, that said invention has not been patented or made the subject of an inventor's certificate issued in any foreign country before the date of their application on an application filed by them or their

legal representatives or assignees more than twelve months prior to their application in the United States and has not been abandoned.

The undersigned petitioners declare further that all statements made herein of their own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
